PROFESSIONAL SUMMARY

Brand Strategy and Marketing professional with experience in communication strategy, content production, online community management, customer-feedback analysis, and performance monitoring across Indian and European markets. Skilled in translating audience and market insights into clear messaging, digital content, and measurable growth initiatives. Brings strong ownership, structured problem-solving, cross-functional coordination, and an interest in using AI to improve research and communication effectiveness.

PROFESSIONAL EXPERIENCE

Studio Effe | Social Media Intern **Feb 2026 - Sept 2026,** *Milan, Italy*

- Developed Instagram communication frameworks and content strategies that clarified the company's positioning and showcased its video production capabilities across key customer touchpoints.
- Built a 12-month content calendar aligned with seasonal opportunities, campaign priorities, and audience engagement goals to support consistent execution.
- Conducted competitor, SEO, GEO, and AI-search research to identify communication opportunities, improve discoverability, and strengthen digital performance.
- Monitored website and social media performance indicators, using insights to refine content priorities and communication effectiveness.

Cosmix Wellness | Customer Relations Executive **Jun 2023 - Mar 2024,** *Bengaluru, India*

- Analyzed qualitative customer feedback and quantitative CRM data to identify recurring pain points, emerging needs, and opportunities to improve the customer journey.
- Owned the end-to-end customer lifecycle across digital channels, ensuring adherence to service-level agreements and consistent brand communication.
- Shared customer insights, market trends, and service risks with senior management to inform operational improvements, retention initiatives, and trust-building decisions.

Swara - Voice of Women | Marketing and Growth Manager **Sep 2021 - May 2023,** *Bengaluru, India*

- Grew the digital community from 19K to 32K followers through influencer outreach, audience-focused communication, and high-touch community engagement.
- Managed Shopify operations and supported product delivery by coordinating production timelines, inventory levels, fulfillment, and customer-facing updates.
- Aligned external vendors and logistics teams with internal delivery expectations, strengthening execution quality across online and offline customer touchpoints.

Yellow Club | Social Media Manager **Apr 2020 - Jul 2021,** *India (Remote)*

- Created and executed an organic communication strategy that grew the Instagram community from 1K to 20K during the startup's early growth phase.
- Built partnerships with mental-health professionals and allied organizations, strengthening credibility, community trust, and nationwide reach.
- Recruited and mentored a cross-functional team of interns supporting content production, digital marketing, and promotional initiatives.
